ABOUT BARBARA MCNAMARA, ESQ., CFLS

Barbara is one of Orange County's top divorce and family law attorneys. (That's why the other side hates that you've found her.)

WHAT CLIENTS SAY

I had several attorneys before but never got the commitment or dedication that Barbara gave me. She studied my case, told me where I was right and wrong, acted like my partner through the whole thing.

And what a tiger she was in the courtroom! With her tenacity and fearlessness before the judge, Barb won motion after motion for me!

I couldn't recommend a person more, much less an attorney. Barbara McNamara is the best!
